Dr. C. Dillard, Jr.,
Box 243,
Goldsboro, N. C.

Dear Doctor:

Your most recent letter just received, in which you confirmed the night of Saturday, May 11th for the Newark Eagles to play the New York Black Yankees.

I am ordering the placards today, you should receive them in the next few days, they will have both games on Tuesday, April 30th and Saturday, May 11th, the first Newark Eagles vs. Cuban Stars, the second one Newark Eagles vs. New York Black Yankees. The placards will be accompanied by advertizing passes. Due to the fact that there are two games on the cards, you may give two passes with each one. I have the starting time as 8:30, is this correct.

About arranging for eating and sleeping for the men, I will have to let you know at a later date about the sleeping, as I am not sure now where we will be the following day, they will of course have to eat. Will appreciate having that taken care of.

About the prices, I am charging 40¢ bleachers, 55¢ grandstand and 75¢ reserve section, as you suggested. I asked the Printer to leave a little space on the bottom about two inches wide so you could have a sticker made to paste on saying where reserve tickets would be On Sale. About the reserve tickets I imagine you may have to have them made down there, as I do not know how the reserve section is set up, I imagine the seats are numbered individually, so it would be impossible for me to have those tickets made unless you wished to send me a chart. If you think it is advisable to have these reserve seats made up you will, of course, need two sets for the two different games. I would appreciate hearing from you what you plan to do about this particular thing. I have tickets with me for all other seats. I shall see that the news is sent to the Journal & Guide, you can probably contact the Goldsboro News Argus to assure us of their co-operation, I will send you publicity. Greatly appreciate your co-operation and will contact you if anything further develops.

Yours very truly,

AM:CCJ
